ASBP The Alliance
for Sustainable
Building Products

www.asbp.org.uk

info@asbp.org.uk

+44 (0)330 355 6275

The Foundry, 5 Baldwin Terrace, London N1 7RU

About Healthy Buildings 2022

Why sponsor?

Support us in our aim of accelerating the UK's transition to a high performance, healthy and low carbon built environment.

Raise awareness of your organisation and position yourself at the forefront of the sustainability agenda.

Be part of a comprehensive marketing campaign before, during and after the conference. ASBP will be publicising the event and the wider topic via regular mailings, blog posts and press releases to our contacts.

Confirmed speakers and topics

Nicola Carslaw - Professor in Indoor Air Chemistry, University of York
KEYNOTE SPEAKER

Professor Avtar Matharu - Deputy Director of the Green Chemistry Centre of Excellence

TOPICS...

Impacts of building materials on indoor air quality... comparison of standard materials and low emissions materials...formaldehyde free binders...IAQ in schools research...PAS3003 & BS40102 standards...neurodiversity and the built environment...new code for construction product information and more!
