Otto Scharmer

Social Movements

Valerie Fournier

- Create Outrage
- Challenge Inevitability
- Build Moral Alternative Economies

“When we talk of social change, we talk of movements, a word that suggest vast groups of people walking together, leaving behind one way and travelling towards another”

Rebecca Solnit

Building agency for large scale change

We do not become transformed alone, we become transformed when we're in relationship with others

Hahrie Han

The 3% rule for change

Just 3% of people
